

Bubble Poster Setup Instructions

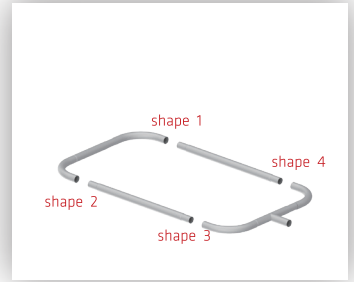

1. Use provided funnel to add water to the base.

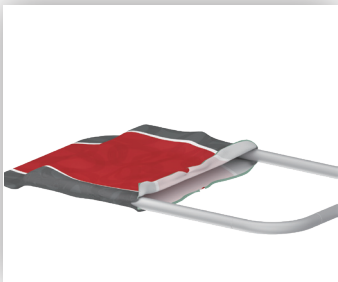

2. Tightly screw in the plastic washer to prevent leaking.

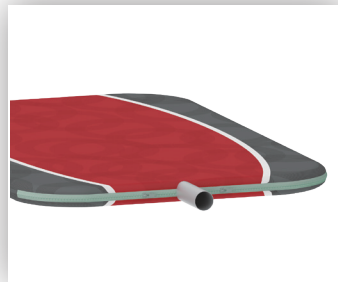

3. Assemble the fabric on the base by feeding the silicone edge into the grooves.

4. Connect the aluminum frame together by matching the similar shapes on the stickers.

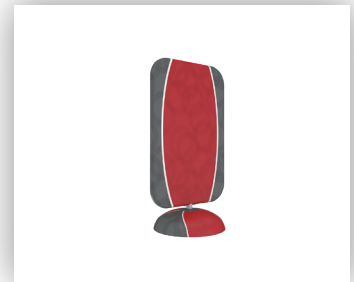

5. Slide fabric into the aluminum frame.

6. Zip the fabric as far as it will go.

7. Attach the poster stand to the Bubble base.

8. Enjoy!
