

1. Remove the counter from the molded soft bag.

2. Extend and lock the support poles.

3. Place the 3 poles with the holes facing up.

4. Place counter top onto poles. Tap down with hand to secure.

5. Slide fabric graphic wrap onto the hardware. Align seam to the center of the back of the counter.

6. Angle and tuck gasket into channel in edge of counter top. Insert graphic gasket all the way around.

7. The zipper on the back is used to access inside the unit.

8. Lift the cover out of the unit.

9. Fit your iPad in position, note the home button and speaker direction.

10. Put the frame back to lock the unit.

11. Enjoy.
